Some conferences I am interested in.

Computer Algebra

- International Symposium on Symbolic and Algebraic Computation ISSAC
- Effective Methods in Algebraic Geometry MEGA.
- ALgeBrAic meThods foR pOlynomial System Solving ALBATROSS
- International Congress on Mathematical Software ICMS
- Gröbner Free Methods and Their Applications GFM
- SIAM Conference on Applied Algebraic Geometry SIAM AG 27.
- Brazilian Northeastern Meeting on Commutative Algebra and Algebraic Geometry ENeAG 27

Algebra

- Coloquio Latinoamericano de Álgebra (XXV edition).

Optimization

- Brazilian Workshop on Continuous Optimization BRAZOPT 2026.

Computational Mathematics

- Foundations of Computational Mathematics Conference FoCM.

Topological Data Analysis

- Computational Persistence ComPer 2026
